Children and parents will experience a memorable time playing and dancing along, a true concert of play... simple in concept and rich in spirit. Jim Gill's music play creates a family room in the concert hall!

Jim Gill is a child development specialist and an award-winning musician and author. In concert, Jim strums energetic rhythms on his banjo while everyone sings, claps, jumps, dances and even sneezes along to his silly and inspiring music and games he created. Each concert offers more than just a show; it is an opportunity to strengthen family relationships through family play!
