Topic: Conscious Discipline: Composure— Being the Person You Want Children to Become
Date: Thursday, April 18, 2019
Time: 6:30PM-8:30PM
Location: The Community Partnership
1101 Hauck Drive
Rolla, MO 65401

This training will be most helpful to teachers who have already attended An Introduction to Conscious Discipline, however all teachers should benefit.

The **objective** of this session is to learn about the Skill of Composure, which helps us actively calm ourselves so we can be helpful to children, and the Power of Perception, which puts us in charge of ourselves so we can model the behaviors that we want to see and be the person that we want children to become.

Come enjoy networking time with other child care providers who understand that working with young children each day can be rewarding and challenging. We will discuss resources available to area child care providers and you will be given the chance to share your ideas. We look forward to you joining us for this exciting opportunity!

There is no cost to attend support group, however registration is required— Call Kathy or Katelyn at 573-368-2849.
